Sunscreen by Willa Bringham

(Chorus)

Sunscreen, sunscreen.
We all need sunscreen.
Some is thick and some is thin,
Pour it in your hand and run it in.

Rub some sunscreen on your skin.
Rub the extra on your chin
Put some sunscreen on your nose
And watch it as it glows.
Rub some sunscreen on your hands
While you play in the sand.

Put some sunscreen on your neck,
Or your skin will be a wreck.
Rub some sunscreen on your arm,
The rays won't do you any harm.
Put some sunscreen on your back,
Or be like a turtle and crack.

(rap)

Sunscreen protects your beautiful skin,
when you're outside playing in the sun.
Sunscreen gives your skin extra help,
when you're at the beach having fun.
Bright sunshine is good for you;
its filled with vitamin C,
So cover up when you're out in the sun,
Take this tip from me.

A hat for your head, sunglasses for your eyes,
Use sunscreen or get burnt thighs.
Umbrellas keep you in the shade,
Sandals for your feet, you've got it made!

Put some sunscreen on your ears,
While you're in the piers.
Run some sunscreen on your face,
Rub it all over the place.

Put some sunscreen on your feet
Don't burn like a piece of meat.

Hashem Loves You by Sheves Chaverim

Sometimes you're feeling down
Things haven't gone your way
So you're looking all around
To find someone who'll save the day
There's one place you can turn
He'll never turn you back
When you look to hashem
You're always back on track

Chorus:

'Cause hashem loves you
You're his greatest pride
Yes, hashem loves you
He's always by your side
You can see it too
All the good you have inside
It's up to you
All you need is to decide

One thing you've got to know
Is no matter what you do
No strings are attached
To the love hashem will show to you
Just got to hold on tight
Put your trust in him
Keep your head held high
Let your soul just start to sing

(Chorus)

You'll walk a different walk
With confidence in your stride
When you think of hashem's love
And you know you're always on his mind
There's a light you've got to shine
A job no one else can do
Hashem's given you the tools
Now the rest comes down to you

(Chorus)

Shabbos is a Doughnut by Alexa

Shabbos is a doughnut,
Or is it a bagel.
No, shabbos is a doughnut.
Because it is sweet.
Shabbos is a doughnut,
Because it is holy.
I love Shabbos.
I love doughnuts.

IM Me by *Brittney Cleary*

Let's meet at the same time
Same place
Send your jpeg, I wanna see your face
Girlfriend, send an I.M.
TTYL
No time to spell
Oops, there goes that little bell
Bye, bye for now
BBFN

(Chorus)
Hey, LOL, G2G
I gotta go, but baby watch for me 'cause
I'll be right back, BRB
So sign on, and I.M. me

Mom thinks I'm doing homework
Yeah, research
But I can't help it, I've just got to surf
I gotta chat with my girlfriends on line
We're digital divas
Believe us
This Girl Wide Web is hot stuff
My buddy list is growing all the time

(Chorus)

I got a web page
A domain
Sign my guest book with your screen name
Check it out, then send an I.M.
What's your profile?
Favorite quote?
This is just like passing notes
It's easier to type than use a pen

CHORUS: That's my family, They mean so much to
me, That's my mishpacha!

When I feel under the weather, she knows how to
make me better She's my Ima, now come on and
guess who? That's right! My Ima is my Mommy!

(Chorus)

Now I'm thinking of a person, it's my Abba and

can even flip me over He's my Abba, now come on
and guess who? That's right! My Abba is my
Daddy!

(Chorus)

Now I'm thinking of a person It's my Savta and
I'm certain You can guess her if I give you a clue
She loves to kiss and pinch my cheeks And feeds
me every kind of sweet She's my Savta, now come
on and guess who? That's right! My Savta is my
Grandma!

(Chorus)

Now I'm thinking of a person, it's my Sabba and
I'm certain You can guess him if I give you a clue
He has some whiskers and white hair And has a
favorite rocking chair He's my Sabba, now come
on and guess who? That's right! My Sabba is my
Grandpa!

(Chorus)
